Nicolas Rothwell's *Another Country* is a beautifully written and thought-provoking book that explores the complex relationship between Australia and Indonesia. Rothwell, an Australian journalist and author, spent several years traveling through Indonesia, meeting with Aboriginal people from all walks of life. He writes about their history, their culture, and their struggles.

Rothwell's book is not a simple travelogue. It is a deeply personal and insightful account of his own experiences in Indonesia. He writes about the challenges he faced, the people he met, and the things he learned.

Rothwell's writing is both lyrical and incisive, and he has a gift for capturing the beauty and complexity of the Aboriginal world.

One of the most striking things about *Another Country* is Rothwell's empathy for the Aboriginal people. He writes about their history with great sensitivity, and he never shies away from the difficult issues they face. Rothwell also has a deep respect for Aboriginal culture, and he writes about it with a sense of wonder and awe.

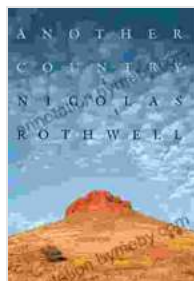

Another Country is a must-read for anyone who wants to understand the relationship between Australia and Indonesia. It is a beautifully written and deeply personal account of one man's journey through the Aboriginal world.
