## The Early Years

Donald Trump was born in Queens, New York, in 1946. He was the fourth of five children born to Fred Trump, a successful real estate developer, and Mary Anne MacLeod Trump, a Scottish immigrant.

Trump attended Fordham University and the Wharton School of the University of Pennsylvania, where he earned a degree in economics. After graduating, he joined his father's real estate company, The Trump Organization.

Trump quickly rose through the ranks of The Trump Organization and became president of the company in 1971. Under his leadership, the company expanded into new markets, including casinos and hotels.

Trump also became a well-known figure in New York City, thanks to his flamboyant lifestyle and his ownership of several high-profile properties, including Trump Tower.

## **The Apprentice**

In 2004, Trump starred in the reality television show *The Apprentice*. The show, which featured Trump firing contestants who failed to meet his expectations, was a huge success.

*The Apprentice* helped to raise Trump's profile and made him a household name. It also gave him a platform to share his views on business and politics.

## **The 2016 Election**

In 2015, Trump announced that he was running for President of the United States. His campaign was based on a promise to "Make America Great Again."

Trump's campaign was controversial from the start. He made a number of outlandish statements, including calling Mexican immigrants "rapists" and proposing a ban on Muslims entering the United States.

Despite the controversy, Trump's campaign gained momentum. He won the Republican nomination and went on to defeat Hillary Clinton in the general election.

## **The Presidency**

Trump's presidency has been marked by controversy and division. He has implemented a number of policies that have been unpopular with many Americans, including a travel ban on citizens from several Muslim-majority countries, the withdrawal of the United States from the Paris climate agreement, and the imposition of tariffs on goods imported from China.

Trump has also been criticized for his rhetoric, which has often been divisive and inflammatory. He has made numerous false or misleading statements, and he has repeatedly attacked the media, the judiciary, and his political opponents.

Despite the controversy, Trump remains a popular figure among his supporters. They view him as a strong leader who is not afraid to stand up for what he believes in.

## **The Future**

It is unclear what the future holds for Donald Trump. He is facing a number of legal challenges, and his approval ratings are low. However, he remains

a popular figure among his supporters, and it is possible that he could run for president again in 2024.

---

Donald Trump is a complex and controversial figure. His presidency has been marked by both accomplishments and failures. It is too early to say what his legacy will be, but there is no doubt that he has had a profound impact on American politics.
