

# Following Ghosts in Northern Peru: An Unforgettable Journey into the Past

Northern Peru is a land of ancient ruins, lost cities, and forgotten civilizations. It is a place where the past is ever-present, and where the spirits of those who came before still linger. In his new book, "Following Ghosts in Northern Peru," author Mark Adams takes us on a journey through this enigmatic region, exploring its rich history and culture.

Adams' journey begins in the city of Trujillo, which was founded by the Spanish in the 16th century. Trujillo is home to a number of well-preserved colonial buildings, as well as the ruins of the ancient city of Chan Chan. Chan Chan was once the largest city in the Americas, and its ruins are a testament to the power and sophistication of the ancient Moche civilization.

## Following Ghosts in Northern Peru: In the Footsteps of 19th Century Travelers on the Old Moyobamba Route.

From Trujillo, Adams travels to the city of Cajamarca, which is famous for being the site of the last battle between the Spanish conquistadors and the Inca emperor Atahualpa. Cajamarca is also home to a number of Inca ruins, including the Temple of the Sun and the Inca Baths.

Adams' journey continues to the city of Chiclayo, which is home to the Lord of Sipán Museum. The museum houses the remains of the Lord of Sipán, a Moche ruler who was buried in a lavish tomb with a wealth of gold and silver artifacts.

From Chiclayo, Adams travels to the city of Chachapoyas, which is located in the remote northern Andes. Chachapoyas is home to a number of pre-Inca ruins, including the Kuelap Fortress. Kuelap is a massive stone fortress that was built by the Chachapoya civilization.

Adams' journey ends in the city of Iquitos, which is located on the Our Book Library River. Iquitos is a gateway to the Peruvian Our Book Library, and it is home to a number of ecotourism lodges.

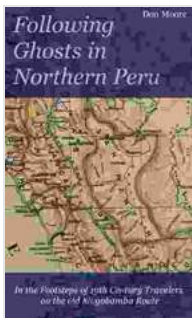

"Following Ghosts in Northern Peru" is a fascinating and informative book that will appeal to anyone who is interested in history, archaeology, or travel. Adams' writing is clear and engaging, and his descriptions of the people and places he encounters are vivid and evocative. The book is also beautifully illustrated with a number of color photographs.

If you are planning a trip to Northern Peru, or if you are simply interested in learning more about this fascinating region, then I highly recommend reading "Following Ghosts in Northern Peru." It is a book that will stay with you long after you have finished reading it.
