Are you ready to take your photo editing skills to the next level? With **Just Genios: Colour Me Beautiful**, you'll master the art of colour correction and beauty enhancement to create stunning, eye-catching images.

Comprehensive Colour Correction Guide

Just Genios provides a comprehensive guide to colour correction, covering every aspect from basic colour adjustments to advanced techniques. You'll learn to:

- Correct skin tones for natural and even-looking results
- Adjust colour temperature and tint for a balanced and pleasing image
- Use colour curves and levels to fine-tune colour and contrast
- Employ colour masks and blending modes to selectively adjust specific areas
- Apply colour manipulation techniques to create unique and striking effects

Advanced Beauty Enhancement Techniques

Beyond colour correction, Just Genios delves into advanced beauty enhancement techniques to help you retouch and enhance your subject's appearance. You'll discover how to:

- Smooth skin and remove imperfections without losing detail
- Whiten teeth and brighten eyes for a more radiant look
- Contour facial features to enhance their shape and definition
- Apply virtual makeup to add a polished and professional touch
- Utilize frequency separation to selectively edit texture and tone

Step-by-Step Workflows

Just Genios is not just a theoretical guide; it also provides practical, step-by-step workflows to help you apply the techniques you learn. Each chapter features detailed instructions accompanied by high-quality images to demonstrate the process. You'll be able to follow along at your own pace and practice the techniques on your own photos.

Compatible with Photoshop and Lightroom

Just Genios is written for photographers and editors of all levels who use Adobe Photoshop or Adobe Lightroom. The techniques and workflows are compatible with both software, making it accessible to a wide range of users.

About the Author

Just Genios is written by photography and retouching expert **Sarah Rae Vargas**. Sarah is an award-winning photographer and educator specializing

in beauty, fashion, and commercial photography. Her work has been featured in publications such as Vogue, Harper's Bazaar, and Marie Claire.
