On May 4, 1970, the Ohio National Guard opened fire on a group of unarmed student protestors at Kent State University, killing four and wounding nine others. This book tells the story of that tragedy and its aftermath.

The shootings at Kent State were a watershed moment in American history. They came at a time of great social and political unrest, and they helped to fuel the anti-war movement. The book tells the stories of the four students who were killed, as well as the stories of the survivors and the witnesses. It also examines the political and social context of the shootings, and it explores the long-term impact of the tragedy.

The book is a powerful and moving account of one of the darkest days in American history. It is a must-read for anyone who wants to understand the events of May 4, 1970, and their impact on American society.

The Victims

The four students who were killed at Kent State were:

- Allison Krause, 19
- Jeffrey Miller, 20
- Sandra Scheuer, 20
- William Schroeder, 19

All four students were unarmed and were shot while they were protesting the Vietnam War. Krause and Miller were shot in the back, while Scheuer and Schroeder were shot in the head.

The Aftermath

The shootings at Kent State had a profound impact on American society. They helped to fuel the anti-war movement, and they led to widespread protests and demonstrations. The shootings also led to a number of changes in the way that law enforcement agencies deal with protests.

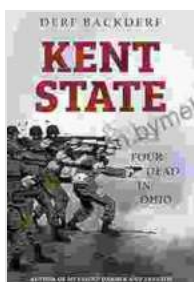

In the years since the shootings, there have been a number of investigations into the incident. However, no one has ever been held accountable for the deaths of the four students.

The Legacy

The shootings at Kent State remain a painful reminder of the dark days of the Vietnam War. They are also a reminder of the importance of free speech and the right to protest.

The book *Kent State Four Dead in Ohio* is a powerful and moving account of the tragedy that shocked the world. It is a must-read for anyone who

wants to understand the events of May 4, 1970, and their impact on American society.
